

More Ideas:

- Timothy: App to help determine what to recycle/throw away
  - Use image recognition to determine how to deposit trash
    - What to recycle, what you can compost, what to throw away
- Jeffery: Game to spread awareness for social issues
  - Have to worry about the game not reducing some large social issue into some small little game
- Kenneth: App to help people sell on twitter
  - Same as craigslist app but for twitter
  - Concerns: Will this work? Will the tweet reach enough people for people to see

Next Week:

- Look at list of ideas
